Hey Phil,

I have a few other things that were handed over at the meeting, I will be scanning them in and they will be available. I will send you a copy of Pebble's presentation from the morning meeting as well.

Thx - T

Tami I am sending the presentation that I gave to EPA. While trying to read it I missed a few lines due to stress I guess. I would like to thanks Lisa, Michelle, Dennis and the rest of the attendy's. You all were very nice and real people. Its a shame we dont have time to get better acquainted. I havent found one negative comment fron anyone about the meeting and that says alot to the character of EPA. Could you foward to the EPA that attended I apoligize for not remembering the kind folks but this isnt my arena. Rick
